## **Capital Market Consultants Chief Economist Named Chairman of Marquette University's Economics Department**

Milwaukee (PRWEB) May 26, 2010 – Capital Market Consultants, LLC (CMC), the Milwaukee-based investment manager research and economic consulting firm providing investment program services to banks, trusts and other wealth management firms is proud to announce that their Chief Economist, Dr. Abdur Chowdhury, has been named the Chairman of the Economics Department at Marquette University. Dr. Chowdhury is a professor of economics in the College of Business Administration.

Primarily a macroeconomist, Chowdhury studies monetary policy and theory, open economy macroeconomics, and Asia and Pacific Basin economics. He was a Senior Fulbright Scholar at Thammasat University in Bangkok, Thailand; a visiting professor at John Hopkins University's School for Advanced International Studies in Nanjing, China; and a visiting research fellow at the World Institute for Development Economics Research at United Nations University in Helsinki.

“Abdur has been a wonderful and complimentary addition to our firm,” according to Richard Iwanski, CFA a Senior Investment Analyst and partner at CMC. “Not only is Abdur a great person to have on our team personally, but the comprehensiveness of his analysis, and the easy way he communicates complex ideas sheds a powerful light on the issues of the day for our clients. From a purely professional perspective he is an invaluable resource in helping us develop investment policies for our clients’ investment programs. His new position at Marquette speaks volumes about how they feel about him.”
